

HIGH-PERFORMING NETWORK, HIGH-QUALITY CARE

Employers in eastern Wisconsin now have access to a flexible, innovative health care solution designed to help control costs while improving employee health. EverPointe Elite is a Trilog Health Solutions product, powered by aligned local providers.

INTEGRATED CARE

Efficient and integrated care model focused on a commitment to quality, best practices and evidence-based protocols

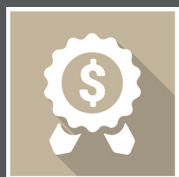

CURATED NETWORK

Access to primary care and some of the world's best specialty care at Aurora Health Care, Children's Wisconsin and other ancillary providers, including 19 hospitals and more than 200 clinic locations

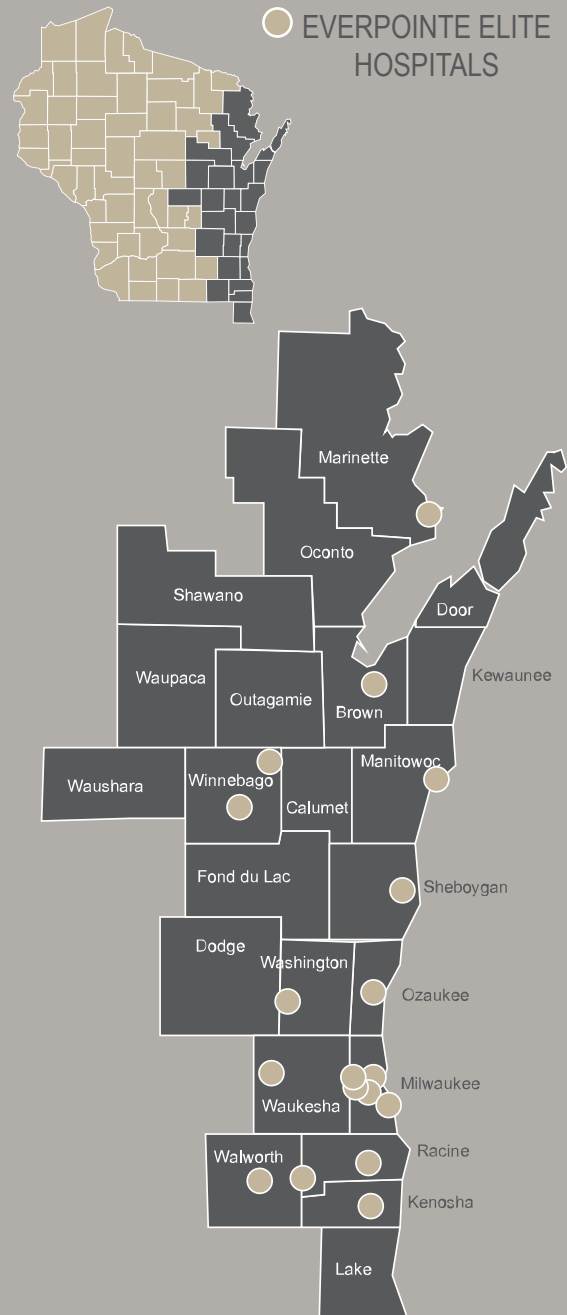

FLEXIBLE BENEFIT DESIGN

Pair EverPointe Elite's network with flexible options such as premier comprehensive networks or data driven solutions for outside the network

COST BENEFITS

A combination of preferred contractual relationships and the deep cost savings potential of data driven solutions results in greater access to quality care at the lowest price in the market
